Where
Stone
Speaks as
Precious

Since its establishment in 1993, Jai Shree Balaji Stonex (A Balaji Group) ranks among the Leading Manufacturer Supplier in Exporter & Importer of imported marble, indian marble and indian granite. It is a vertically integrated company with infrastructure facility including cutting and processing of Stone, a local sales network and, most importantly, an ever growing sales network abroad. We are Exporter & Importer of marbles & granites from all around the world.

Nowadays, taking advantage of our long lasting experience, we ship our material to the 5 continents, under the best conditions, always in conformity with the international standards.

We are proud to have the ability to supply a big array of beautiful marble, from the smallest to the largest quantity of blocks, slabs and tiles, anywhere, worldwide.

Our principle is that clients are the most significant portfolio of our company. Jai Shree Balaji Stonex offers each client a fulfilling design experience and a knowledgeable team of professionals who will guide them to make their projects come true. In our plants we carry an amazing array of Marbles, Granites, and materials with an exotic and unusual beauty, ideal for projects of any scale.

Our Goals

- Spread our know-how
- Educate our technical staff on the various uses
- Keep our prices low
- Keep our customers happy

Strengths

- Vertically integrated infrastructure
- Profound know-how and traditional application methods
- Reliability and dependability
- Quality assurance
